

CAIPE e-Bulletin

Issue 44 – July 2015

Welcome to the July issue of the CAIPE e Bulletin, a monthly electronic Newsletter providing concise information and links to more in depth information, predominately on the CAIPE website www.caipe.org.uk

NEWS

- **The Genesis of a Global Movement** This global review of interprofessional education was conducted to enable readers to compare and contrast their interprofessional journeys; to support others travelling the same road; to network nationally and internationally and to help build global interprofessional institutions. This major piece of work is of importance to CAIPE members and the wider IPE community and helpful in providing background explanation to present international IPE developments. To download this publication go to <http://caipe.org.uk/news/the-genesis-of-a-global-movement/>
- **Implementation and evaluation of an interprofessional simulation-based education program for undergraduate nursing students in operating room nursing education: a randomized controlled trial.** The study was designed to implement an interprofessional simulation-based education program for nursing students and evaluate the influence of this program on nursing students' attitudes toward interprofessional education and knowledge about operating room nursing. Conclusions: The integrated course with interprofessional education and simulation provided a positive impact on undergraduate nursing students' perceptions toward interprofessional learning and knowledge about operating room nursing. For more information go to http://7thspace.com/headlines/512501/implementation_and_evaluation_of_an_interprofessional_simulation_based_education_program_for_undergraduate_nursing_students_in_operating_room_nursing_education_a_randomized_controlled_trial.html
- **The International Journal of Practice-based Learning in Health and Social Care.** This peer-reviewed, online journal is free-to-publish and free-to-read for all health and social care professionals engaged in educational activities. The International Journal of Practice-based Learning in Health & Social Care is for all health and social care professionals engaged in educational activities that foster the knowledge, skills and capabilities appropriate for the diverse and complex world of professional practice. It is designed for those colleagues who facilitate learning in practice settings, for academic colleagues, and for learners. For more information go to <http://e-learning.coventry.ac.uk/ojs/index.php/pblh/index>
- **World Health Organisation: Public Consultation - Global Strategy on Human Resources for Health: Workforce 2030.** The WHO is working on a new global strategy on human resources for health to be considered by the 69th World Health Assembly in May 2016. This strategy represents a critical component of the WHO strategic vision towards universal health coverage (UHC) in the framework of the post 2015 health development agenda . The Global Strategy on Human Resources for Health: Workforce 2030 is now open for public consultation until 31 August 2015. This is significant document for the global development of interprofessional education and collaborative practice and CAIPE members are urged to read it and respond. For more information go to http://www.who.int/hrh/resources/online_consult_globstrat_hrh/en/

EVENTS
