- (c) The other charity trustees are satisfied that it is in the best interests of the CIO to contract with the supplier rather than with someone who is not a charity trustee or connected person. - (a) Any decision other than one falling within clause 10(4) (Decisions that must be taken in a particular way) shall be taken by a simple majority of votes cast at the meeting (including proxy and postal votes). Every member has one vote unless otherwise provided in the rights of a particular class of membership under this constitution.

  - (ii) identifies the person appointed to be that member's proxy and the general meeting in relation to which that person is appointed;
  - (iii) is signed by or on behalf of the member appointing the proxy, or is authenticated in such manner as the CIO may determine; and
  - (iv) is delivered to the CIO in accordance with the constitution and any instructions contained in the notice of the general meeting to which they relate.
- (b) The CIO may require proxy notices to be delivered in a particular form and may specify different forms for different purposes.
- (c) Proxy notices may (but do not have to) specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.
- (d) Unless a proxy notice indicates otherwise, it must be treated as:
  - (i) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting; and
  - (ii) appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.

- (e) A member who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a general meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid proxy notice has been delivered to the CIO by or on behalf of that member.
- (f) An appointment under a proxy notice may be revoked by delivering to the CIO a notice in writing given by or on behalf of the member by whom or on whose behalf the proxy notice was given.
- (g) A notice revoking a proxy appointment only takes effect if it is delivered before the start of the meeting or adjourned meeting to which it relates.
- (h) If a proxy notice is not signed or authenticated by the member appointing the proxy, it must be accompanied by written evidence that the person who signed or authenticated it on that member's behalf had authority to do so.

## **(8) Postal Voting**

- (a) The CIO may, if the charity trustees so decide, allow the members to vote by post or electronic mail ("email") to elect charity trustees or to make a decision on any matter that is being decided at a general meeting of the members.
- (b) The charity trustees must appoint at least two persons independent of the CIO to serve as scrutineers to supervise the conduct of the postal/email ballot and the counting of votes.
- (c) If postal and/or email voting is to be allowed on a matter, the CIO must send to members of the CIO not less than [21] days before the deadline for receipt of votes cast in this way:
  - (i) a notice by email, if the member has agreed to receive notices in this way under clause [22] (Use of electronic communications), including an explanation of the purpose of the vote and the voting procedure to be followed by the member, and a voting form capable of being returned by email or post to the CIO, containing details of the

resolution being put to a vote, or of the candidates for election, as applicable;

- (ii) a notice by post to all other members, including a written explanation of the purpose of the postal vote and the voting procedure to be followed by the member; and a postal voting form containing details of the resolution being put to a vote, or of the candidates for election, as applicable.
- (d) The voting procedure must require all forms returned by post to be in an envelope with the member's name and signature, and nothing else, on the outside, inside another envelope addressed to 'The Scrutineers for Centre for the Advancement of Interprofessional Care', at the CIO's principal office or such other postal address as is specified in the voting procedure.
- (e) The voting procedure for votes cast by email must require the member's name to be at the top of the email, and the email must be authenticated in the manner specified in the voting procedure.
- (f) Email votes must be returned to an email address used only for this purpose and must be accessed only by a scrutineer.
- (g) The voting procedure must specify the closing date and time for receipt of votes and must state that any votes received after the closing date or not complying with the voting procedure will be invalid and not be counted.
- (h) The scrutineers must make a list of names of members casting valid votes, and a separate list of members casting votes which were invalid. These lists must be provided to a charity trustee or other person overseeing admission to, and voting at, the general meeting. A member who has cast a valid postal or email vote must not vote at the meeting and must not be counted in the quorum for any part of the meeting on which he, she or it has already cast a valid vote. A member who has cast an invalid vote by post or email is allowed to vote at the meeting and counts towards the quorum.
- (i) For postal votes, the scrutineers must retain the internal envelopes (with the member's name and signature). For email votes, the scrutineers must cut off and retain any part of the email that includes the member's name. In

each case, a scrutineer must record on this evidence of the member's name that the vote has been counted, or if the vote has been declared invalid, the reason for such declaration.

- (j) Votes cast by post or email must be counted by all the scrutineers before the meeting at which the vote is to be taken. The scrutineers must provide to the person chairing the meeting written confirmation of the number of valid votes received by post and email and the number of votes received which were invalid.
- (k) The scrutineers must not disclose the result of the postal/email ballot until after votes taken by hand or by poll at the meeting, or by poll after the meeting, have been counted. Only at this point shall the scrutineers declare the result of the valid votes received, and these votes shall be included in the declaration of the result of the vote.
- (l) Following the final declaration of the result of the vote, the scrutineers must provide to a charity trustee or other authorised person bundles containing the evidence of members submitting valid postal votes; evidence of members submitting valid email votes; evidence of invalid votes; the valid votes; and the invalid votes.
- (m) Any dispute about the conduct of a postal or email ballot must be referred initially to a panel set up by the charity trustees, to consist of two trustees and two persons independent of the CIO. If the dispute cannot be satisfactorily resolved by the panel, it must be referred to the Electoral Reform Services.
