Dear Richard ,

We'd like to invite you to this **free online event** on tackling cyber-threats in health and care.

During the Covid-19 pandemic, there has been an increase in volumes of spam email, and health-specific malware, and a greater risk of cyber-attack due to new ways of working. Our panel will give examples of these threats and discuss how to prepare for future challenges.

Involve your friends and colleagues by inviting them to [register for free here](#).
